SUMMARY

Software Developer and Applied Technology graduate with hands-on experience designing, developing, testing, and maintaining software applications using Python, Java, C#, Kotlin, JavaScript, HTML, CSS, and .NET technologies. Experienced working in Agile team environments, collaborating with stakeholders, gathering requirements, and delivering software solutions. Strong analytical, troubleshooting, and problem-solving skills with a passion for continuous improvement, software quality, and learning new technologies.

PROFESSIONAL SKILLS

Programming Languages: Python, Java, C#, Kotlin, Rust, JavaScript

Frameworks & Technologies: .NET Blazor, HTML5, CSS3

Software Development: Object-Oriented Programming (OOP), DevOps, Software Design & Development, Debugging & Troubleshooting, Unit Testing, Integration Testing, Agile, Technical Documentation, Sprint Planning, Requirements Analysis

Data & Analytics: Data & Business Analysis, Advanced Excel, Reporting, Dashboard Development

Tools: Git Version Control, Visual Studio, VS Code

Languages: English (Fluent), Spanish (Fluent), German (Learning)

Soft Skills: Effective communication, Leadership, Time Management, Collaboration, Problem-Solving

PROJECT EXPERIENCE

Software Application Development

- Designed, developed, and maintained software applications
- Applied object-oriented programming principles and software engineering best practices
- Collaborated with team members in Agile environments to plan, develop, test, and deliver software and business solutions
- Debugged and resolved software defects through systematic troubleshooting and code analysis
- Conducted unit and integration testing to verify app functionality, reliability, and performance

Web Application Development (.NET Blazor)

- Developed web applications using .NET Blazor framework
- Implemented UI components and backend logic
- Improved debugging, system design, and application architecture skills

EDUCATION

Brigham Young University–Idaho

- Bachelor's Degree in Applied Technology (2026)
- Associate's Degree in Applied Technology

Brigham Young University–Idaho Certificates

- Software Development (2025)
- Web Development (2025)
- Web & Computer Programming (2024)

Universidad Complutense de Madrid (UCM)

- Desarrollo de Apps Móviles (2025)
